Product Features

Waterproof Outdoor UV Protected Frame

Special additive protects frame against the elements and damaging ultraviolet rays.

Wheelchair Clearance

Lowered height and removal of the bottom shelf allow wheelchair bound easy access.

Gardening Tray

A secure gardening tray, available in black only, can be removed if needed.

Sliding Shelf

A sliding shelf at the top of the gardening tray allows the user to keep supplies close.

Top Shelf

A top shelf with a railing will safely hold small pots and other lightweight planting supplies.

Hanging Hooks

Three aluminum hooks on the right side of the table for gardening tools.

Optional Casters

Optional swivel casters may be added to the left side of the table only.

Optional Floor Mounting

A set of 4 L-shaped brackets and 8 screws to secure the brackets to the product are provided. Screws to attach brackets to the floor are not included.
